The New York City Department of Education Parent/Guardian Home Language Identification Survey

Dear Parent or Guardian,

Parent/Guardian Signature_

In order to provide your child with the best education possible, we need to determine how well he or she understands, speaks, reads, and writes English. In order to keep you informed, we would like to know your language preference when receiving important information from the school. Your assistance in answering the questions below is greatly appreciated.

Thank you.

PART 1. NYSITELL ELIGIBILITY This information provided below will be used along with other information provided to determine your child's home language and eligibility for the New York State Identification Test for English Language Learners (NYSITELL).
